

Metal Remote Air Intake for Nuvair Mini Tech Compressors

SKU: NUVRAI-OEM-MT

Price: ?378.00

Description

When the air surrounding a compressor is unsuitable for the intended use, a Remote Air Intake is required. The NUVRAI-OEM-MT Remote Air Intake comes fully assembled. Does not comply with OSHA standards.

PLEASE NOTE: While the NUVRAI-OEM-MT Remote Air Intake draws its air above and away from the combustion engine, it **does not meet** OSHA standards. To comply with OSHA regulations, use the [NUVRAI-FLEX-MT](#) Remote Air Intake.

DANGER

USER IS RESPONSIBLE

Air compressor intakes must be located away (upwind) from engine exhaust.

It must be at least 6 feet above ground and 12 feet away from the exhaust.

[OSHA 29 CFR 1910.430 (B)(2)]

Always use a carbon monoxide (CO) analyzer on diver air supply.
