Archival Specifications

The quality and the multi-viscosity characteristics of Coltri Oil 157 have been specifically developed to meet the lubrication requirements of all Coltri high-pressure compressors. The main feature of this lubricant is the extreme flexibility of performance both at high and low temperatures. A property that makes it absolutely universal. For this reason, the new Coltri Oil 157 replaces the entire range of lubricants for all pumping units produced by Aerotecnica Coltri.

Warning **WARNING:** Never use motor oil in a compressor.

Coltri OEM/Distributor

Nuvair offers authentic parts and equipment manufactured by Coltri Compressors. Beware of inexpensive aftermarket imitations labeled as "replacement," "OEM equivalent," "compatible," or "alternative," as they are not made by Aerotecnica Coltri S.p.a. Due to size, weight, or specific requirements, some Coltri products may not be available for online purchase, and others may have extended lead times.
