

SPX Hankison HDF4 Desiccant Dryer

SKU: HDF4

Price: ?1,734.46

Description

Removing water, oil, and dirt from compressed air will increase compressor output and add to your bottom line.

- Produce pressure due points as low as -40°F (-40°C)
- Rugged power-painted, corrosion-resistant aluminum housing which can be installed in-line
- Charge of silica gel desiccant adsorbs moisture from the compressed air
- Desiccant change-out indicator offers a convenient monitoring of desiccant condition
- Desiccant change-out indicator turns color from blue to white
- Integrated 15 micron cleanable dust filter
- Optional HDF-F Oil Pre-Filtration Package: HF Series Grade 5 oil filter to 0.01 ppm (0.01 mg/m³) remaining oil content

Hankison OEM/Distributor

Nuvair offers authentic parts and equipment manufactured by SPX Flow Hankison®. Beware of inexpensive aftermarket imitations labeled as "replacement," "OEM equivalent," "compatible," or "alternative," as they are not made by SPX Flow Hankison. Due to size, weight, specific requirements, or customer demand, some Hankison products may not be available for online purchase, and others may have extended lead times. To confirm compatibility with your existing equipment or to ensure the product meets your needs, please [contact the Nuvair Sales Team](#) for ordering assistance by email or phone.
