

Four Whip Fully Regulated Paintball Fill Panel

SKU: PN4R

Price: ?1,733.00

Description

The PN4 fill panel includes:

- Stainless steel housing and tubing
- (2) gauges
- (4) toggle valves with line pressure releases
- (4) rubber weights on fill hoses
- Dimensions: 52×12×12 in (132×30×30 cm)

See our [Paintball Accessories Page](#) for hoses and fill adapters that can be used with our station.

All paintball fill panels are custom-made. Please [contact](#) the sales team for estimated lead times.

Please Note: Fill panels are a gas management tool. Fill panels do not generate compressed air. A source of compressed air is required to fill tanks.
