

Nardi Silverstone 2 · 3.5 CFM · 12V Battery · 5L Tank

SKU: SIL2B054W00120CG1600

Price: ?1,120.08

Description

NARDI COMPRESSORI offers a diverse range of battery-powered compressors available in 12V or 12/24V options. Lightweight and portable, the **SILVERSTONE** range comes in various frame and tank configurations, achieving a maximum working pressure of 8-10 bar (114-147 psi). Designed specifically for automotive applications and environments without electrical power, they are both versatile and reliable. Compact, low-noise, and equipped with a 5L tank, this model is the perfect companion for DIY projects and hobbies requiring pressures up to 8 bar. Built with a robust pump and premium materials, this portable compressor is not only ideal for personal use but also meets the demands of professional applications and vehicle integration.
