

Low Pressure Alarm: 3–7 psi

SKU: 9622-7

Price: ?453.00

Description

Housed in a NEMA 4X/13 PVC enclosure, the Nuvaair Low Pressure Alarm sounds an audible alarm and activates a red light when air pressure drops below a user-defined set point. The audible alarm loudness is 95 dB at 10 feet.

All Nuvaair Low Pressure Alarms are custom-made at the time your order is placed. If a rush order is required, please [contact](#) the sales team for estimated lead times.

Applications

- Suitable for pneumatic, water or any low-pressure hydraulic applications
- Pneumatic system control
- Low-pressure filter monitoring
- Car washes
- Gate control

Specifications

Enclosure Size (H × W × D)	4 × 4 × 2.4 in (10.1 x 10.1 x 6.1 cm)
Low Pressure Alarm Set Point Range	3–7 psi (0.21–0.48 bar)
Proof Pressure	350 psi (24 bar)
Repeatability	±2% of full set point range at 20°C (68°F)
Average Differential	6–20% of setting
