

DiveSorb® Pro CO2 Absorbent • 37 lb

SKU: DIVESORB37

Price: ?323.90

Description

Specifications

- Composition: Calcium hydroxide, Alkali hydroxide, Water
- Shape: Hemispherical pellet
- Grain size: Ø approx. 4 mm, ISO 3310, 2 - 4 mm, ASTM E11, 5 to 10 No
- Water content: (16 +/- 2) %
- Density: 875+/-125 g/L
- CO2 absorption capacity: Depending on the operation parameters and the absorption system
- Storage temperature: -30°C to +50°C
- Shelf life after production: 5 years
- Indicator: No color indicator
- Weight: 16.8 kg - 37 lb
