

High Pressure Alarm: 25–150 psi

SKU: 9622H

Price: ?453.00

Description

Housed in a NEMA 4X/13 PVC enclosure, the Nuvair High Pressure Alarm sounds an audible alarm and activates a red light when air pressure rises above a user-defined set point. The audible alarm loudness is 95 dB at 10 feet.

All Nuvair Pressure Alarms are custom-made at the time your order is placed. If a rush order is required, please [contact](#) the sales team for estimated lead times.

Applications

- Suitable for pneumatic, water or any high-pressure hydraulic applications
- Pneumatic system control
- High-pressure filter monitoring
- Car washes
- Gate control
